

KEYSPAN ENERGY DELIVERY NEW ENGLAND
D.T.E. 05-68

SECOND SET OF INFORMATION REQUESTS OF THE
DEPARTMENT OF TELECOMMUNICATIONS AND ENERGY TO
KEYSPAN ENERGY DELIVERY NEW ENGLAND

DTE 2-19

Date: February 14, 2006

Respondent: Leo Silvestrini

- Q. The Company states that KeySpan applied an average of the percent of transportation migration in each tier between 1997 and 2005 to the total loads expected to occur during the five-year forecast period. Please specify the average percentages used per tier.
- A. The average percentages used per tier are set forth in Chart III-B-10.
